

Rechargeable Li Ion Battery 51.2V Wall Mounted LiFePO4 Battery With Touchable Screen

Our Product Introduction

for more products please visit us on enikolnewenergy.com

Basic Information

- Place of Origin: Shenzhen.China
- Brand Name: ENIKOL
- Certification: CE FCC UKCA UN38.3 MSDS
- Model Number: ESK-4830CWT
- Minimum Order Quantity: 1 piece
- Price: Negotiable
- Packaging Details: Wooden box packaging
- Delivery Time: 7-15days
- Payment Terms: T/T, L/C, D/A, D/P, Western Union, MoneyGram
- Supply Ability: 4000 pieces per week

Product Specification

- Mounting Type: Wall Mounted
- Rated Voltage: 51.2V
- Rated Capacity: 300AH (15360WH)
- Max Continuous Discharge Current: 200A
- Display: LCD/ Touchable Screen
- Charging Voltage: 58.4V
- Cycle Life: ≥6000 Times
- Max Parallel: 16 Sets
- Highlight: Rechargeable Wall Mounted LiFePo4 Battery,
51.2V Wall Mounted LiFePo4 Battery,
Touchable Screen Wall Mounted LiFePo4 Battery

Product Description

Product Description:

Product Model	ESK-4830CWT
Type of Battery	Lithium Iron Phosphate
Max Parallel	16 sets
Rated Capacity	300AH (15360WH)
Rated Voltage	51.2V
Charging Voltage	58.4V
Max Charging Current	200A
Max Continuous Discharge Current	200A
Weight	125kg
Dimension (L * W * H)	975*460*280mm
Display	LCD/ Touchable screen
Warranty	5 years
Communication Function	CAN/RS485/RS232
Shell Material	White painted steel
Cycle Life	≥6000 times

The Wall Mounted LiFePo4 Battery comes with a built-in Battery Management System (BMS) that monitors the battery's performance and protects it from overcharging and discharging. The battery also features a touchable LCD screen, making it easy to monitor the battery's status and remaining capacity.

The Wall Mounted LiFePo4 Battery has a rated capacity of 300AH (15360WH), making it the perfect choice for applications that require high power output. With a max continuous discharge current of 200A, this 48v lifepo4 battery provides consistent and reliable power for all your needs.

The Wall Mounted LiFePo4 Battery is designed to be wall-mounted, making it easy to install and saving valuable floor space. With a compact and sleek design, this 5kwh Wall Mount Lithium Battery is perfect for indoor and outdoor use.

Overall, the Wall Mounted LiFePo4 Battery is a highly efficient and reliable power storage solution that is perfect for residential and commercial use. With its built-in BMS, touchable LCD screen, and high power output, this 48v 200ah lifepo4 battery is the perfect choice for all your power needs.

Features:

Product Name: Wall Mounted LiFePo4 Battery

Max Charging Current: 200A

Mounting Type: Wall Mounted
Display: LCD/ Touchable Screen
Anode Material: Lithium Iron Phosphate (LiFePO4)
Charging Voltage: 58.4V
This Wall Mountable LiFePo4 Energy Storage is a 48v lifepo4 battery, perfect for 48v solar energy battery systems.

More Than
8000
Life Cycles

Under 90% depth of discharge(DOD)
Minimum 15 years of life span

Technical Parameters:

Product Name:	5kwh Wall Mount Lithium Battery
Type:	Wall Mountable LiFePo4 Energy Storage
Rated Voltage:	51.2V
Rated Capacity:	300AH (15360WH)
Max parallel:	16 Sets
Max Charging Current:	200A
Max continuous discharge current:	200A
Cycle life:	≥6000 Times
Anode Material:	Lithium Iron Phosphate (LiFePO4)
Communication function:	RS485/RS232/CAN Protocol
Display:	LCD/ Touchable Screen
BMS:	Built In BMS

Applications:

This 48v solar energy battery is perfect for use in a variety of different settings. Whether you're looking to power your home or business, or you need a reliable source of power for your RV or boat, this battery is an excellent choice. With its high capacity and efficient design, this battery can provide reliable power for a wide range of applications and scenarios.

If you're looking for a larger power storage solution, the ENIKOL ESK-4830CWT Wall Mounted LiFePo4 Battery is also available in a 10kwh lithium ion battery model. This larger battery is perfect for those who need even more power storage capacity for their home or business.

Thanks to its CE, FCC, UKCA, UN38.3, and MSDS certifications, this battery is a safe and reliable choice for your power storage needs. And with a minimum order quantity of just one piece, a negotiable price, and a supply ability of 4000 pieces per week, this battery is a great choice for both large and small projects.

This battery is made from high-quality materials, including a shell material of white painted steel. And with wooden box packaging and a delivery time of just 7-15 days, you can be sure that your battery will arrive safely and on time.

Payment terms for the ENIKOL ESK-4830CWT Wall Mounted LiFePo4 Battery include T/T, L/C, D/A, D/P, Western Union, and MoneyGram, making it easy for you to purchase this high-quality battery. Whether you're looking for a reliable power storage solution for your home, business, RV, or boat, the ENIKOL ESK-4830CWT Wall Mounted LiFePo4 Battery is an excellent choice.

Support and Services:

Our Wall Mounted LiFePo4 Battery product comes with top-notch technical support and services to ensure that our customers have a smooth experience with their purchase. Our team of experts is available to provide assistance with any technical issues or questions related to the product. We also offer a range of services including installation, maintenance, and repair to ensure that the product is functioning optimally at all times. Our technical support and services are designed to provide our customers with peace of mind and a hassle-free experience.

Packing and Shipping:

Product Packaging:

1 Wall Mounted LiFePo4 Battery

Mounting hardware

User manual

Shipping:

Ships via ground shipping

Shipping dimensions: 18" x 12" x 6"

Shipping weight: 20 lbs

FAQ:

Q1: What is the brand name of this Wall Mounted LiFePo4 Battery?

A1: The brand name of this product is ENIKOL.

Q2: What is the model number of this Wall Mounted LiFePo4 Battery?

A2: The model number of this product is ESK-4830CWT.

Q3: Where is this Wall Mounted LiFePo4 Battery made?

A3: This product is made in Shenzhen, China.

Q4: Does this Wall Mounted LiFePo4 Battery have any certifications?

A4: Yes, this product has CE, FCC, UKCA, UN38.3, and MSDS certifications.

Q5: What is the minimum order quantity for this Wall Mounted LiFePo4 Battery?

A5: The minimum order quantity for this product is 1 piece.

Q6: Is the price of this Wall Mounted LiFePo4 Battery negotiable?

A6: Yes, the price of this product is negotiable.

Q7: What is the packaging detail for this Wall Mounted LiFePo4 Battery?

A7: This product is packaged in a wooden box packaging.

Q8: What is the delivery time for this Wall Mounted LiFePo4 Battery?

A8: The delivery time for this product is 7-15 days.

Q9: What are the payment terms for this Wall Mounted LiFePo4 Battery?

A9: The payment terms for this product are T/T, L/C, D/A, D/P, Western Union, and MoneyGram.

Q10: What is the supply ability for this Wall Mounted LiFePo4 Battery?

A10: The supply ability for this product is 4000 pieces per week.
