

Touchable Screen 15KWH Power Wall Mounted 51.2V 300AH LiFePo4 Battery White Painted Steel

Our Product Introduction

for more products please visit us on enikolnewenergy.com

Basic Information

- Place of Origin: Shenzhen.China
- Brand Name: ENIKOL
- Certification: CE FCC UKCA UN38.3 MSDS
- Model Number: ESK-4830CWT
- Minimum Order Quantity: 1 piece
- Price: USD970 for sample Wholesale prices are negotiable
- Packaging Details: Wooden box packaging
- Delivery Time: 7-15days
- Payment Terms: T/T, L/C, D/A, D/P, Western Union, MoneyGram
- Supply Ability: 4000 pieces per week

Product Specification

- Rated Voltage: 51.2V
- Rated Capacity: 300AH (15360WH)
- Max Charging Current: 200A
- Max Continuous Discharge Current: 200A(10kw)
- Mounting Type: Wall Mounted & floor Standing
- Shell Material: White Painted Steel
- Communication Function: RS485/CAN Protocol
- Cycle Life: ≥6000 Times
- Highlight: 15KWH Wall Mounted LiFePo4 Battery, White Painted Steel LiFePo4 Battery, 51.2V 300AH LiFePo4 Battery

Product Description

Specific parameters:

Product Model	ESK-4830CWT
Type of Battery	Lithium Iron Phosphate
Max parallel	16 sets
Rated capacity	300AH(15360WH)
Rated voltage	51.2V
Charging voltage	58.4V
Max charging current	200A
Max continuous discharge current	200A
Weight	130kg
Dimension (L* W * H) mm	975*460*280
Display	LCD/Touchable screen
Warranty	5 years
Communication function	CAN/RS485
Shell Material	White painted steel
Cycle life	≥6000 times
Operating temperature	-20 to +65
Protection function	Overcharge protection, over discharge protection, over-current protection, short circuit protection, over temperature protection and low voltage alarm
Matched solar inverter brands	PYLONTECH/GOODWE/Growatt/SMA/Victron/TB B/Must/Smr/ MEGAREVO/Deye/INVT/Voltronic/SOFAR/SORO TEC,etc.
Bluetooth function	Optional
Application	Home Appliances, Industrial and commercial energy storage,Household energy storage,Large-scale photovoltaic energy storage projects,UPS energy storage

Product Description:

This battery is specifically designed to be wall mounted, making it a convenient and space-saving option for those looking for a 5kwh Wall Mount Lithium Battery. Its shell material is made of white painted steel, ensuring durability and longevity. The Wall Mountable LiFePo4 Energy Storage is rated at 51.2V, providing a stable and dependable power source. Its high energy density and long cycle life make it an ideal choice for residential and commercial energy storage systems. This battery is suitable for a range of applications, including off-grid and solar energy systems. In addition, the Wall Mounted LiFePo4 Battery has a capacity of 10kwh lithium ion battery, making it a reliable and efficient power source

for large-scale energy storage systems. Its compact design and wall mountable feature make it a space-saving option for those who need a high capacity energy storage solution. Whether you're looking for a reliable power source for your home or business, the Wall Mounted LiFePo4 Battery is an excellent choice. Its high discharge rate, communication function, and wall mountable design make it a versatile and convenient energy storage solution for a wide range of applications.

7-inch touchable screen

Features:

Display: Touchable Screen
Cycle life: ≥6000 Times
Mounting Type: Wall Mounted
Max continuous discharge current: 200A
BMS: Built In BMS
Capacity: 10kwh lithium ion battery
Type: Wall Mountable LiFePo4 Energy Storage
Voltage: 48v solar energy battery

Technical Parameters:

Mounting Type	Wall Mounted
Rated Voltage	51.2V
BMS	Built In BMS
Rated Capacity	300AH (15360WH)
Cycle life	≥6000 Times
Display	LCD/ Touchable Screen
Anode Material	Lithium Iron Phosphate (LiFePO4)
Max continuous discharge current	200A
Max Charging Current	200A
Shell Material	White Painted Steel

Support and Services:

The Wall Mounted LiFePo4 Battery product technical support and services include:

Assistance with installation and setup

Troubleshooting and diagnosis of any issues

Advice on maintenance and care

Guidance on optimizing battery performance and extending its lifespan

Updates on software and firmware upgrades

Support for compatibility with other products and systems

Our team of experts is dedicated to providing comprehensive and reliable technical support and services to ensure the optimal performance of your Wall Mounted LiFePo4 Battery.

Packing and Shipping:

Product Packaging:

The Wall Mounted LiFePo4 Battery will be packaged in a sturdy wooden box with protective foam inserts to ensure safe transportation.

The product will be wrapped in bubble wrap to prevent any scratches or damages during shipping. The box will also include a user manual and mounting hardware for easy installation.

Shipping:

The Wall Mounted LiFePo4 Battery will be shipped via ground shipping through a reputable courier service. Shipping times may vary depending on the destination. A tracking number will be provided once the product has been shipped.

FAQ:

What is the brand name of the wall-mounted battery?

The brand name of the wall-mounted battery is ENIKOL.

What is the model number of the wall-mounted battery?

The model number of the wall-mounted battery is ESK-4830CWT.

Where is the wall-mounted battery manufactured?

The wall-mounted battery is manufactured in Shenzhen, China.

What certifications does the wall-mounted battery have?

The wall-mounted battery is certified with CE, FCC, UKCA, UN38.3, and MSDS.

What is the minimum order quantity and price of the wall-mounted battery?

The minimum order quantity for the wall-mounted battery is 1 piece, and the price for a sample is USD970. Wholesale prices are negotiable.

The battery comes in wooden box packaging and has a delivery time of 7-15 days.

Payment terms include T/T, L/C, D/A, D/P, Western Union, and MoneyGram.

The supply ability is 4000 pieces per week.
