

Wall Mounted 15KWH 51.2V 300AH LiFePo4 Battery 48V Touchscreen Energy Storage Battery

Our Product Introduction

for more products please visit us on enikolnewenergy.com

Basic Information

- Place of Origin: Shenzhen
- Brand Name: ENIKOL
- Certification: CE, FCC, UKCA, U38.3, MSDS
- Model Number: ESK-4830CWT
- Minimum Order Quantity: 1 piece
- Price: USD970 for sample Wholesale prices are negotiable
- Packaging Details: Wooden box packaging
- Delivery Time: 7-15 days
- Payment Terms: T/T, L/C, D/A, D/P, Western Union, MoneyGram
- Supply Ability: 4000 pieces per week

Product Specification

- Display: Touchable Screen
- Rated Voltage: 51.2V
- Rated Capacity: 300AH (15360WH)
- Cycle Life: ≥6000 Times
- Shell Material: White Painted Steel
- BMS: Built In BMS
- Max Continuous Discharge Current: 200A(10KW)
- Communication Function: RS485/RS232/CAN Protocol
- Highlight: Wall Mounted 51.2V 300AH LiFePo4 Battery, 15KWH 51.2V 300AH LiFePo4 Battery, Touchscreen Energy Storage Battery

Product Description

Product Model	ESK-4830CWT
Type of Battery	Lithium Iron Phosphate
Max parallel	16 sets
Rated capacity	300AH(15360WH)
Rated voltage	51.2V
Charging voltage	58.4V
Max charging current	200A
Max continuous discharge current	200A
Weight	125kg
Dimension (L* W * H) mm	975*460*280
Display	LCD/Touchable screen
Warranty	5 years
Communication function	CAN/RS485/RS232
Shell Material	White painted steel
Cycle life	≥6000 times
Operating temperature	-20 to +65
Protection function	Overcharge protection, over discharge protection, over-current protection, short circuit protection, over temperature protection and low voltage alarm
Matched solar inverter brands	PYLONTECH/GOODWE/Growatt/SMA/Victron/TB B/Must/Srne/MEGAREVO/Deye/INVT/Voltronic/SOFAR/SOROTEC,etc.
Bluetooth function	Optional
Application	Home Appliances, Industrial and commercial energy storage,Household energy storage,Large-scale photovoltaic energy storage projects,UPS energy storage

More Than
8000
Life Cycles

Under 90% depth of discharge(DOD)
Minimum 15 years of life span

Product Description:

Our Powerwall Lithium battery has compact design, Touchable Screen, convenient setting buttons, can add bluetooth Monitor on your smartphones, and net cable&accessories ready for installation.
To welcome the world cooperation we accept OEM with your logo design!

Features:

Model:Wall mounted &floor standing
Capacity:15 kilo watt hour (300AH)
Rated Voltage:51.2V
Power:10KW
Display:7-inch touchable screen
Max parallel :16
EXW price:USD970 for sample(Wholesale prices are negotiable)

7-inch **touchable** screen

Applications:

Our Lithium Ion Powerwall series are widely used in Solar Systems for residential and commercial use. With more than 6000 times deep cycle, up to 80% DOD and phosphate battery Cell, Powerwall has won global approval!

Support and Services:

Our Home Energy Storage Battery product comes with top-notch technical support and services to ensure that you get the best experience possible. Our team of experts is always available to help you with any technical issues you may encounter with your product. We offer a range of services, including installation, maintenance, and repair. Our certified technicians are trained to handle any issues that may arise and will work with you to ensure that your product is working at its best. In addition, we provide regular software updates to ensure that your Home Energy Storage Battery is always up to date with the latest features and improvements. Our goal is to provide you with a seamless and worry-free experience with our product. If you have any questions or concerns about our technical support and services, please do not hesitate to contact us.

Review From The Customers

M*****K United States	Supplier Service: Very satisfied (5 stars) On-time Shipment: Very satisfied (5 stars)	04 May 2023 01:28
	48V lithium ion battery total capacity 10KWH 5K... ★★★★★ wooden box package Many thanks for your timely service for my order, the wooden box package are very well for the batteries after I received the goods, keep very well and no any damage during shipping.	👍 0
	Rechargeable 5kw 10kw LiFePO4 Lithium Battery 24V... ★★★★★ Many thanks for your timely service for my order, the wooden box package are very well for the batteries after I received the goods, keep very well and no any damage during shipping. no damage during shipping!	👍 1
M***e Canada	★★★★★ Good quality, the body is very durable the seller responds very quickly, I highly recommend.	2023/05/04
M***e Canada	★★★★★ very durable 🍊 Excellent quality product. Wonderful communication everything went very professional. Glad I found this seller on Ali baba. I highly recommend buying product from them.	2023/05/04
M***K United States	★★★★★ Many thanks for your timely service for my order, the wooden box package are very well for the batteries after I received the goods, keep very well and no any damage during shipping.	2023/05/04
M***K United States	 Factory 48v solar battery lithium ion Deep Cycle 48 v... ★★★★★ Perfect product as usual. Quick reliable supplier that is always very knowledgeable.	👍 0
M***e Canada	★★★★★ prepare for the second order! The quality of the battery is very good, powerful power, very professional supplier, let me prepare the second order thank you!	2023/03/01
M***e Canada	★★★★★ quality is great! Already received the product, it looks great and it's easy to use, the point is that the quality is great!	2022/07/21
M***e Canada	★★★★★ high quality at good price! I was pleasantly surprised by this battery well worth it for such a quality product at this price.	2022/07/21

FAQ:

Q1: What is the brand name of the home energy storage battery?

A1: The brand name of the home energy storage battery is ENIKOL.

Q2: What is the model number of the home energy storage battery?

A2: The model number of the home energy storage battery is ESK-4830CWT.

Q3: Where is the home energy storage battery manufactured?

A3: The home energy storage battery is manufactured in Shenzhen.

Q4: What certifications does the home energy storage battery have?

A4: The home energy storage battery is certified with CE, FCC, UKCA, U38.3, MSDS.

Q5: What is the minimum order quantity of the home energy storage battery?

A5: The minimum order quantity of the home energy storage battery is 1 piece.

Q6: What is the price of the home energy storage battery?

A6: The price of the home energy storage battery is USD970 for a sample. Wholesale prices are negotiable.

Q7: How is the home energy storage battery packaged?

A7: The home energy storage battery is packaged in wooden boxes.

Q8: What is the delivery time of the home energy storage battery?

A8: The delivery time of the home energy storage battery is 7-15 days.

Q9: What are the payment terms for the home energy storage battery?

A9: The payment terms for the home energy storage battery are T/T, L/C, D/A, D/P, Western Union, and MoneyGram.

Q10: What is the supply ability of the home energy storage battery?

A10: The supply ability of the home energy storage battery is 4000 pieces per week.
