

15KW Wall Mounted Floor Standing Home Energy Storage Battery Bank 300AH 51.2V With Wheels

Our Product Introduction

for more products please visit us on enikolnewenergy.com

Basic Information

- Place of Origin: Shenzhen
- Brand Name: ENIKOL
- Certification: CE, FCC, UKCA, U38.3, MSDS
- Model Number: ESK-4830CWT
- Minimum Order Quantity: 1
- Price: USD982 for sample Wholesale prices are negotiable
- Packaging Details: Wooden box packaging
- Delivery Time: 7-15 days
- Payment Terms: T/T, L/C, D/A, D/P, Western Union, MoneyGram
- Supply Ability: 4000 pieces per week

Product Specification

- Model: Wall-mounted/ Vertical/ Wheeled
- Rated Voltage: 51.2V
- Rated Capacity: 300AH (15.36KWH)
- Max Continuous Discharge Current: 200A(10kw)
- Communication Function: RS485/CAN Protocol
- Type Of Battery: Lithium Iron Phosphate (LiFePO4)
- Cycle Life: ≥8000 Times
- Max Parallel: 16
- Highlight: 15KW Home Energy Storage Battery, 300AH Home Energy Storage Battery, 51.2V Home Energy Storage Battery

Product Description

Product Model	ESK-4830CWT
Type of Battery	Lithium Iron Phosphate
Max parallel	16 sets
Rated capacity	300AH(15360WH)
Rated voltage	51.2V
Charging voltage	58.4V
Max charging current	200A
Max continuous discharge current	200A
Weight	125kg
Dimension (L* W * H) mm	975*460*280
Display	LCD/Touchable screen
Warranty	5 years
Communication function	CAN/RS485
Shell Material	White painted steel
Cycle life	≥6000 times
Operating temperature	-20 to +65
Protection function	Overcharge protection, over discharge protection, over-current protection, short circuit protection, over temperature protection and low voltage alarm
Matched solar inverter brands	PYLONTECH/GOODWE/Growatt/SMA/Victron/TBB/Must/ Srne/ MEGAREVO/Deye/INVT/Voltronic/SOFAR/SOROTEC,etc.
Bluetooth and Wifi function	Optional
Application	Home Appliances, Industrial and commercial energy storage,Household energy storage,Large-scale photovoltaic energy storage projects,UPS energy storage

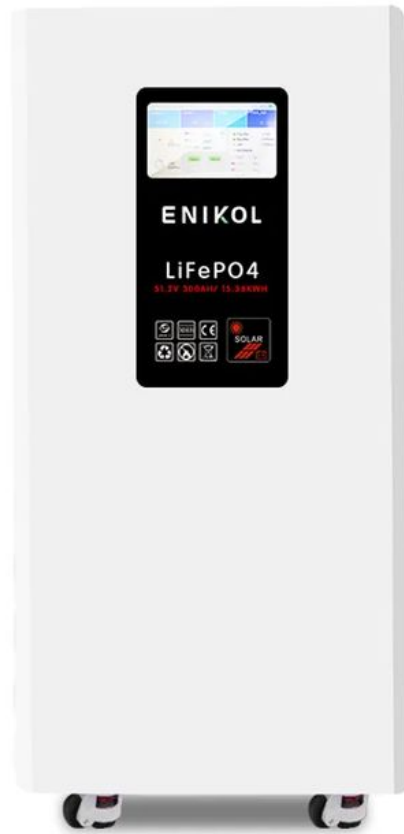

Product Description:

The 7-inch touch screen display on the Household Energy Storage Battery makes it easy to monitor the battery's performance. The display shows important information such as the battery's voltage, current, and remaining capacity. It also allows you to adjust the battery's settings, such as the charging and discharging parameters.

The Household Energy Storage Battery is rated at 51.2V, which is suitable for most home energy storage systems. Whether you are looking to store energy from your solar panels or from the grid, this battery is a great choice.

With the Household Energy Storage Battery, you can enjoy the benefits of having a reliable and efficient energy storage system in your home. It is a cost-effective way to reduce your reliance on the grid and to save money on your energy bills.

Overall, the Household Energy Storage Battery is a high-quality product that is designed to meet the needs of homeowners who want to store energy for their homes. With its long cycle life, high charging current, built-in BMS, and touch screen display, this battery is sure to exceed your expectations

Technical Parameters:

Product Attribute	Technical Parameter
Model	Wall-mounted/ Vertical/ Wheeled
Rated Capacity	300AH (15.36KWH)
Rated Voltage	51.2V
Charging Voltage	58.4V
Max Charging Current	200A
Max Continuous Discharge Current	200A
Cycle Life	≥8000 Times
Max Parallel	16
BMS	Built In BMS
Communication Function	RS485/CAN Protocol

This is a technical parameter table for the Household Energy Storage Battery product.

Applications:

Household energy storage, Large-scale photovoltaic energy storage projects, Wind energy storage, UPS energy storage, Energy storage of base station, Security products, Fire emergency equipment, Various digital electronic equipment, etc.

Support and Services:

Our Home Energy Storage Battery product comes with comprehensive technical support and services to ensure that your energy storage system operates efficiently and effectively. Our team of experienced professionals is available to assist you with any technical issues you may encounter and answer any questions you may have about the product.

We offer regular software updates to ensure that your Home Energy Storage Battery is always running with the latest features and improvements. In addition, we offer installation support to help you get your energy storage system up and running quickly and easily.

Our Home Energy Storage Battery product also comes with a warranty to give you peace of mind. In the unlikely event that you experience any issues with the product, our technical support team is available to help you diagnose and resolve the issue.

Overall, we are committed to providing the highest level of technical support and services to ensure that you get the most out of your Home Energy Storage Battery product.

Packing and Shipping:

The Home Energy Storage Battery product will be packaged in a sturdy wooden box with foam inserts to protect the battery during transportation. The box will be clearly labeled with the product name, manufacturer, and handling instructions. Inside the box, customers will find the battery, a user manual, and any necessary cables or accessories.

FAQ:

Q1: What is the brand name of the Home Energy Storage Battery?

A1: The brand name of the product is ENIKOL.

Q2: What is the model number of the Home Energy Storage Battery?

A2: The model number of the product is ESK-4830CWT.

Q3: What is the place of origin for the Home Energy Storage Battery?

A3: The product is manufactured in Shenzhen.

Q4: What certifications does the Home Energy Storage Battery have?

A4: The product is certified with CE, FCC, UKCA, U38.3, and MSDS.

Q5: What is the minimum order quantity for the Home Energy Storage Battery?

A5: The minimum order quantity for a sample is USD982. Wholesale prices are negotiable.

Q6: What is the price of the Home Energy Storage Battery?

A6: The price of the product is negotiable.

Q7: What is the packaging of the Home Energy Storage Battery?

A7: The product is packaged in wooden boxes.

Q8: What is the delivery time for the Home Energy Storage Battery?

A8: The delivery time for the product is 7-15 days.

Q9: What are the payment terms for the Home Energy Storage Battery?

A9: The payment terms for the product include T/T, L/C, D/A, D/P, Western Union, and MoneyGram.

Q10: What is the supply ability of the Home Energy Storage Battery?

A10: The product has a supply ability of 4000 pieces per week.
